category key

Run Time was home to 1B distance

Arm Radar is the velocity of the ball out of the hand

Bat Velo is the exit velocity off of the bat as measured by the HitTrax machine

Field Grade is on a 1-4 scale. 1=fair, 2=good, 3=very good, 4=excellent

Inf Transfer is the time it takes to field and deliver the ball from 2B to 1B measured from glove to glove

pitch velo is the underhand max velocity for a fastpitch delivery

c-pop is catchers pop time - measured from glove to glove from home to 2B
